

***Employment Opportunities
for
Certified Therapeutic Recreation Specialists***

An established and successful community based Therapeutic Recreation program is expanding and looking for additional certified Therapeutic Recreation Specialists. Therapeutic Concepts, LLC offers individuals with special needs, the opportunity to explore functional leisure outlets and community integration in a structured and safe environment designed to increase their appropriate social and emotional responses.

As the benefits of working with a CTRS gains more recognition for the specialty services it provides, the important role the CTRS plays in today's health care and human services arena has led to our expansion and the need to hire additional Therapeutic Recreation Specialists for meeting the demands presented.

If you are interested in working with the "developmentally disabled" population under the age of 18, and are considering full or part-time opportunities, flexible scheduling, and excellent compensation, then please contact Mary Nagy at (586) 212-26718 or by e-mail at marynagy@comcast.net.

Position: Certified Therapeutic Recreation Specialist (CTRS)

Requirements: Certification compliant

Duties: CTRS needed to work with Developmentally Disabled Children in Oakland and Macomb County. Experience with Developmentally Disabled Children or extensive Psychiatric experience is essential.

Hours: Flexible Hours, evenings and weekends optional.
